

Sales Agent

North Queensland

As U.S. Kids Golf expands its Australian footprint, we need to appoint a Sales Agent to represent us in North Queensland.

This sales position will involve you calling on Green Grass Retails outlets as Golf Course, Driving Ranges and Pro Shops. You will be selling and marketing the U.S. Kids Golf range of equipment, coaching programs and golf events.

Ideally you already are a Sales Agent in the golf industry – and U.S. Kids Golf will be a perfect addition for you to sell.

If you are interested in discussing the opportunity further please contact Michelle on 0498 988 455 or email michelle.nee@uskidsgolf.com.au
